Kava

How to read this menu

The next two pages preserve the complete published bar and Indian menu artwork. The bar menu has 42 priced entries, including the two kava drinks; its prices are in New Zealand dollars and include GST. The printed Indian menu has 48 dish entries without individual prices. The following pages transcribe all 52 priced items currently shown in the official Indian online ordering menu, with their published descriptions. These channels overlap; counts do not represent unique dishes.

Online ordering prices may differ from in-person prices. They are reproduced as NZD, without conversion; delivery, service fees, modifiers and final charges are not inferred. Some printed dishes are absent online and some online vegetarian curries are absent from the printed page. Ask staff for availability and prices for those dishes.

Contact detail conflict

The original bar artwork prints “137 Tancred Street” and “03 307 9009”. The current website, public business Facebook page, map and booking listing instead identify 78–80 Tancred Street and 0212430073. The current website also repeats the same bar prices. Use the current contact details above; the original artwork is retained unchanged.

Venue hours

Wednesday–Thursday: 5 PM–11 PM. Friday–Saturday: 5 PM–1 AM the following morning. Monday, Tuesday and Sunday are closed on the merchant booking listing. Google additionally lists Tuesday and Sunday, 5 PM–11 PM; call before visiting on those days. Public-holiday hours may vary.
